Subject: UL Project Number 4790324393 20322

Dear Ewa Godzinska,

I have completed your project plan and this letter outlines important project information about the UL service(s) you requested.

UL has received enough information to start the product evaluation; however additional items and/or samples may be needed to complete the evaluation. Details regarding the investigation items and/or samples required are included below under the heading of Required Investigation Items and Required Samples. Providing the items and samples requested below will avoid unnecessary delays in your project.

Product Service Description:

14236592- CE Approval for new model W/B14-03

Standard(s) Referenced for this Evaluation:

IEC/EN 60598-2-1 – Part 2: Particular Requirements Section One – Fixed General Purpose Luminaire – 2nd Edition, 2020-01
IEC/EN 62031 – LED modules for general lighting – Safety Specifications – Edition 2.0, 2018-03

Product Category:

DKYL

Required Investigation Item(s) for Evaluation:

Required Sample(s) for Evaluation:

Assumption(s):

- All safety critical components, enclosures and materials are UL Listed/Recognized and suitable for

the intended application.

- Quotation does not include fees associated with travel, lodging, meals, etc.
- Quotation does not include fees associated with Safety Certificates for other countries.
- No alternate components are employed.

Proposed Test Plan:

Timeline Assessment:

Customer Requested Completion Date:

Estimated Project Completion Date: 5/30/2022

Any proposed project plan and timeline included in this communication is based on the received information and on the above assumptions. The test program and other aspects of the project plan will be finalized following a comprehensive construction review of your specific product.

A project handler from our engineering staff will begin the investigation shortly. The project handler will keep you informed of the progress of your project. If you have any questions or need additional information, you can contact me or customer service.

Very truly yours,

Hossein Compani
Senior Engineering Associate
